

Year 7 Term 1a: How did the World Begin?		
Topics covered: Hindu Creation Christian Creation Muslim Creation Sikh Creation Aborigine Creation The Big Bang Evolution Design Argument	How it links to what you have studied before: At primary school you may have looked at the story of Adam & Eve. This unit of work will ask you to compare different religious, cultural and secular beliefs about the creation of our universe.	How it links to what you will study: We will pick up different faiths throughout KS3 and learning about their creation myths will provide you with a firm platform to build on. The design argument also gives you an introduction into philosophical debate.
Key words: myth/symbolism/creation/dreamtime/analogy	Key skills: Comparison/judgement/evaluation	
Assessment focus Explain how you think the world began	Revision tips Design flashcards and use the Leitner method to remember key similarities and differences	
Why we study it: The question of how the world began is a question that humanity has wrestled with for centuries and we still do not have an answer to it
